SOCH/SOA/ZOA

Dear Sponsors.

First of all, I would like to thank ZOA/SOA and SOCH for being so generous and sponsoring my education for the 2019 of my first school year as a student nurse. It truly means too much to me. Your donation has allowed me to focus on my studies and enjoy my time in college.

College has presented new challenges for me and it is so nice to feel support from you. My first year was a bit difficult for me but I passed all the examinations. My first year was busy with examination, assignments. We ~~had~~ went for attachments for four months, I attended to patients with different conditions and it feels nice to meet people with different beliefs and I enjoyed myself.

My main goal is to become a nurse. Again, thank you so much for your generosity. I am so grateful.

Sincerely,

Mwanga Wendy
